

- + Pull behind operation prevents walking on damp floors—superior ergonomics

- + Apply floor conditioners at the same time to add to the surface performance

- + By wetting the mat before use, you get better capture of the dust and grit

Removing dust and grit means floors are not slippery, and more enjoyable to play on, and increases the life of your floor by removing debris which abrade the court surface under players feet.

- + Suited for all floors—timber, synthetic and modular
- + Clean your floor 75% faster, with superior results and comfort
- + Increase the life of your floor, and reduce maintenance costs
- + Clean a standard basketball court in just 5 minutes (9 passes)
