

+ Engineered with corrosion-resistant materials

+ Sliding height adjustment system

+ Manual net tension system

+ Aluline custom extrusion, lightweight, durable, and easy to handle.

A versatile, cost-effective solution for schools, clubs, and home use, the Essentials Multisport Posts support a range of sports including Volleyball, Badminton, Tennis, Fistball, Sepak Takraw, and more.

Key Features:

- Multi-sport compatibility with adjustable net heights
- Aluline custom aluminium for lightweight, rust-free durability
- Manual height slider allows infinite height settings
- Protective end caps to prevent floor damage and injuries
- Easy to handle—ideal for quick setup and sport changes

Note: Does not include a net cable winch. For winch systems, see VBAL or VBSTADIA models.

Optional Add-ons:

Compatible nets and post pads available separately
Essentials Posts are perfect for any court needing quick, safe, and flexible setup across multiple sports.
