*TERMS AND CONDITIONS

Validity of this agreement:

- The enrolment fee must be paid in full upfront before any benefits outlined in this proposal take effect. This requirement applies prior to the scheduling and booking of any safety audits.
- Any safety audits conducted without the enrolment fee fully paid for, prior to the commencement of the audit, will be charged at the standard rate.

Audit Compliance:

The extended warranty applies only if annual audits are completed within the scheduled audit window. Missed or delayed audits void the extended warranty for that period.

Early Termination:

Cancellation of the agreement within the 3-year term results in forfeiture of the audit plan fee and any unused credits or discounts.

Warranty Coverage:

- The extended warranty covers the structural integrity of RMA Sport-supplied basketball system frameworks only.
- It does not cover components such as backboards, padding, motors, or rings.
- Installation costs apply beyond the initial 12-month warranty period.

Exclusions:

- Labour, man lift hire (EWP), travel, freight, and parts are not included in the annual audit cost.
- The plan excludes scoreboard systems, third-party products, and any equipment not supplied directly by RMA Sport.
- The parts credit and discounts apply only to RMA Sport-supplied products.

Liability:

RMA Sport is not liable for safety, performance, or warranty issues arising from missed or delayed audits, as system integrity relies on timely annual inspections.

GST:

All prices and credits exclude GST.

SPORTS EQUIPMENT SAFETY AUDIT AGREEMENT

This agreement outlines the terms for scheduled maintenance and associated benefits for your sports equipment. Our aim is to ensure the safety, longevity and optimal performance of your facility's equipment, providing a reliable and cost-effective solution for your maintenance needs.

Agreement Between:

R.M.A. Sport and Leisure P/L (Hereinafter referred to as "The Provider")

AND

[Facility Name/School/University/Council Name] [Address of Facility] (Hereinafter referred to as "The Facility")

1. Purpose of Agreement

This agreement establishes a partnership for the audit routine of sports equipment at The Facility, ensuring equipment remains in excellent condition, compliant with safety standards, and ready for use.

2. Agreement Term

This Agreement shall remain in effect for a period of three (3) years, commencing on the date the audit is conducted and expiring on the corresponding date three (3) years thereafter. *Please refer to the approved booking confirmation sent to your representative for the audit date.*

3. Scheduled Audit

The Provider will conduct one (1) audit annually based on OEM recommendations (if available) to **The Facility** to inspect, maintain, and agreed-upon sports equipment. The exact date for each annual will be mutually agreed upon at least four (4) weeks in advance. Additional audits or inspections are available if requested at additional cost, depending on the work required.

3.1. Cancellation and Venue Access:

If The Facility cancels a scheduled audit visit with less than 7 days notice in metro areas (14 days in regional areas), or if **The Provider** is unable to access the venue at the agreed-upon time due to circumstances within **The Facility's** control, thereby preventing the scheduled audit, a rescheduling fee equivalent to 25% of the annual audit cost may be charged. This fee helps cover the administrative costs and potential loss of other scheduled work for **The Provider**. We will always endeavour to reschedule the audit at the earliest mutually convenient time.

3.2. Elevated Work Platform (EWP) Access and Floor Protection:

The Facility is responsible for ensuring clear and safe access for any necessary Elevated Work Platforms (EWPs) into and within the building, including ensuring appropriate door clearances and pathway widths. While **The Provider** will exercise all reasonable care in the movement of EWPs and equipment, The Provider cannot accept responsibility for any damage to floor surfaces that may occur during access or operation of the EWP, provided movements are conducted with due diligence. The Facility is encouraged to implement any necessary floor protection measures prior to the audit visit.

4. Benefits to The Facility

By entering into this 3-year agreement, **The Facility** will receive the following exclusive benefits:

- Annual Audit Discount: A 10% discount off the standard current cost of each annual scheduled audit.
- Equipment Purchase Discount: A 10% discount on the purchase price of any new sports equipment purchased from **The Provider** within six (6) months following each completed annual audit.
- Access to OEM parts: OEM parts and support for systems supplied by **The Provider** are available as part of the audit.

5. Audit Costs & Payment

The cost for each annual audit will be quoted and agreed upon prior to the audit date, with the 10% discount applied. Invoices will be issued upon completion of each annual audit and are payable within thirty (30) days.

6. Early Termination of Agreement

This agreement is designed for a 3-year term to provide consistent maintenance and long-term savings. Should **The Facility** choose to terminate this agreement prior to the completion of the full three (3) year term, **The Provider** may invoice a nominal administrative charge equivalent to the total discounts previously received under this agreement, payable within 30 days of the termination of the agreement. This ensures fairness and covers the administrative efforts associated with the early cessation of the agreed-upon term.

7. General Provisions

- Governing Law: This agreement shall be governed by and construed in accordance with the laws of New South Wales, Australia.
- Entire Agreement: This document constitutes the entire agreement between The Provider and The Facility regarding the scheduled auditing of sports equipment and supersedes all prior discussions or agreements.

Acceptance of Agreement:

By signing below, the authorised representatives of The Provider and The Facility acknowledge and agree to the terms and conditions outlined in this Sports Equipment Auditing Agreement.
